

Albion Chamber of Commerce Stars and Stripes Program

Sponsor an American flag in your loved one's name

Help keep the flags flying. American flags are hung on street light posts throughout the town of Albion each year from May until late September. This American heritage not only decorates our small town with patriotism, it helps beautify our streets.

Your sponsorship can help keep this tradition going as well as honor a loved one. All honoree and memorialized names will be listed in the *Albion New Era* in the spring. Flyers with names listed will also be posted on bulletin boards and in store front windows throughout town. In addition, names will be listed on the Chamber's web site (albionin.org) under the Stars and Stripes program.

The Albion Chamber of Commerce, the American Legion Post 246, Noble REMC, and area citizens have lined the streets of Albion with 60 American flags for over 15 years. Please help us keep this impressive patriotic tradition alive.

In order to continue this "great American project" we truly need community support. Please help us by sponsoring a flag.
